What Clients Say About Nirav Hiingu

Nirav is such a warm and down to earth person. He has a strong grip over his subject and knows his stuff well. His readings are quite accurate and he has strong interpersonal skills too. Someone you can trust on and who has in-depth knowledge on various topics like Numerology, Signature analysis, occult science, etc. He is also someone who is very friendly, trustworthy and good human being. I wish him very best for all his endeavours :)

- Ami Savla, Women Entrepreneur, Socialize Store

Excellent knowledge!!! I even suggested to one of my friend to consult him for his business. Nirav gave the best solution according to numerology. Nirav suggests good name for your company or your brand according to numerology and your numbers. He even suggests to pick right kind of colors and designs for your brand logo.

- Dr. Hina Mistry, Creative Head, M² Entertainment

Let to explore his expertise but give it a good go guys. He also started his workshops so get your signature analysed too!

- Alex-O-Connor, Founder & CEO, E Connor Media

I am amazed by seeing Nirav's knowledge in numerology and handwriting analysis. He goes to the depth of everything. I would recommend everyone to try him once, and know the truth.

- Nidhi Chugh, Founder at WriteRight and Qualified Graphologist

Nirav Hiingu's readings are so accurate that I wondered how could someone make such readings so accurately. If you are looking at understanding what the future holds for you, then Nirav is the best person to go to. His readings are always real and practical."

- Brijesh Tejani, Entrepreneur & Organizer of We Love Startups

If there is someone who is encyclopedia of knowledge in the field of occult science it is Nirav Hingu, he is a one stop shop for all your Vastu, Numerology, Face Reading, Graphology and Logo analysis.

- Hitesh Motwani, Founder & Chief Trainer, Skillopedia
